## Anna Dujan Awarded Registered Fiduciary (RF™) Certification

Anna Dujan, Indianapolis, IN has successfully completed the training, validation and testing necessary to become a Registered Fiduciary. The Registered Fiduciary (RF™) Certification identifies financial professionals and organizations as competent fiduciaries that have achieved pertinent educational qualifications and licenses, learned required skills, and have passed a background check.

The RF™ award to Anna recognizes particular skills in the area of Financial Planning and Advice. In addition, Anna provides investment advice to families planning for retirement.

In acting as a Registered Fiduciary Anna is committed to always acting in the best interest of clients, using the skills, ethics and focus on the client needs that the Certification represents.

“At a time when the public concern has been elevated by years of financial excesses and scandals, the RF™ validation process offers comfort in the knowledge that our firm has been found worthy of this distinction” said Anna, Financial Adviser, adding “We have always been dedicated to our clients and this award gives us the independent confirmation of this policy.”
